3 years full warranty (on all components), 5 years on actuators, 10 years on metal frames

PRODUCT	TYPE
PediSpa	Square

Description:
Gharieni PediSpa Square: the 5-in-1 Multitalent
The world's first 5-motors-powered treatment bed of this kind. With 5 fields of application: Suitable for pedicure, manicure (using of optional accessories), hair care (with removable headrest), facial treatments (as the backrest is inclinable backwards) and make-up. The housing and base of Gharieni's Pedispa consist of high-quality white Corian® as standard. Different colours are optionally available. The upholstery of the seat consists of durable white artificial leather as standard. Different colours are also optionally available. The inclination of the backrest and seat are electrically adjustable. Furthermore, the height of the legrest as well as the distance between legrest and seat are electrically adjustable. The unit is equipped with freely programmable memory-positions, which allows all 5 motors move in the desired positions in sync. The seat can be swivelled 90° to both the right and left. The headrest can be manually tilted to front.
